

MAJESTIC EXPLORER

The M/V Majestic Explorer is a 36m, elegant & spacious liveboard yacht, accommodating up to 16 passengers in 8 cabins.

All cabins are located on the main or lower deck with ocean views. All cabins have a private bathroom with shower, ample storage and individual climate control. Six of eight cabins have twin beds and all cabins can be converted to queen beds for couples.

The yacht features a partially covered sun deck with a jacuzzi and ample seating, salon area with dining, bar and entertainment area.

The Majestic Explorer has a large dive deck including a bathroom, large camera table with charging station, individual storage areas, rinse bins for cameras and another for gear. Diving operations are conducted from two large pangas (tenders), easily boarded from the dive deck.

Note: Galapagos liveboard itineraries are examples only, subject to change depending on local regulation, weather and logistics at the Captain's discretion. The order of the island visits, is dictated by the Galapagos National Park and may vary.
