

DIVE THE MALDIVES & DISCOVER SRI LANKA

WITH SNORKEL SAFARI ALTONA BEACH

Travel with us on this amazing dive tour of The Maldives and join an optional land tour to discover amazing Sri Lanka as a hosted pre tour.

THE MALDIVES

The Maldives, located south-west of Sri-Lanka, are a series of coral atolls distributed Longitudinally near the equator for a length of 450 miles. Our stay is in Gan, at the southernmost tip of the 1,190 islands that make up The Maldives and the package is all inclusive. In the warm, clear waters of the Maldives it is possible to see Manta rays, Whale sharks, Tuna and Eagle rays. Expect valleys and gardens of luscious Corals alive with thousands of different species of fish and countless species of invertebrates.
